

# ONLINE LEARNING @ SRPS

## BE SAFE

- Remember you are in a public forum.
- Do not share your private information.
- Use your own login and do not share your password.
- Only discuss age appropriate content.
- Have a balanced day and ensure you have regular breaks and exercise.

## BE RESPECTFUL

- Use nice language.
- Never write anything you would not say to someone in person.
- Do not 'flood' the stream.
- Avoid using ALL CAPITALS.
- Report any disrespectful behaviour.
- Do not share video links with people outside of our school.
- Ask questions and make comments that are relevant to your learning and the lesson.
- Upload appropriate materials only.
- Follow all instructions.

## BE A LEARNER

- Remember learning can be hard and challenging at times.
- When in the learning pit remember your way out is to communicate, collaborate, problem solve and investigate.
- Upload all completed tasks.
- Write any questions you have in the student feedback section in Google Classroom.
- Go back and read the feedback your teacher has given on your work from the previous day.
- Always give your best.
- Be on time for all live events.
- Have a daily routine.
